Day 2

Reconciliation

SUBJECT: Reconciliation Process, Political Relationship

ALOHA Kakou,

My name is Jacqualyne Lorance . I am a Hawaiian wom
and a Hawaiian citizen.

After having read Public Law 103-150 , November 23,
1993 AD, the overthrow of the Kingdom of Hawaii. I wondered
how this applied to me and my family. So I entered into research
and study of the Political History of the Kingdom of Hawaii and
the United States of America.

I and my family object to the intentions of the United States
which was laid down in the disclaimer, in section 3, of Public
Law 103-150, November 23, 1993 A. D. the overthrow of the
Kingdom of Hawaii. I further object to the Adverse Possession
of the Kingdom of Hawaii by abandonment, plebiscite or a
referendum of the De'jure Kingdom of Hawaii.

I further object to the intentions of the the 50th State of the
United States, the State of Hawaii of wanting to maintain their
De Facto existence by advocating that nothing shall supersede
the State of Hawaii. Offering tributary status and is opposed to
the Kingdom of Hawaii being a foreign nation.

We agree to the United States having met the two conditions
in Her Majesty Queen Liliuokalani's issued protest

letter as such: "... I do this under protest and impelled by said force yield my authority until such time as the government of the United States shall, upon facts being presented to it, undo the actions of its representatives and reinstate me in the authority which I claim as the constitutional Sovereign of the Hawaiian Islands, January 17, 1893 A. D."

I agree to the Kingdom of Hawaii Interim Provisional Government Council under the impaired 1887 constitution of Hawaii, article 41, Position Paper with Authorities regarding Recognition and Reinstatement, which was filed with the Office of Secretary of State, in Washington D. C., June 20, 1994 A. D.

I further agree to the Right of an Absentee Government in exile and to maintain the existing Political Authority of the Kingdom of Hawaii under the Law of Nations by Emer de Vattel.

I further more recommend that the Department of Interior and Department of Justice understand and convey the truth to the American and Hawaiian citizens, that the next step is to reinstate the De jure Kingdom of Hawaii.

Sincerely,

Jacqualyne Lorange
